# WHO IS “SHONEN SHOWTUNES: THE PANEL” FOR?

## ● Guest Voice Actors:

- ▶ An exciting change of pace from another everyday Q&A, voice actors will have the opportunity to not only share their talents with fans, but to use and discuss their theatre training and skills that they may not have the chance to formally put into practice between recording & traveling to conventions.

## ● Audience:

- ▶ It's also an exciting change of pace for attendees! Rather than hearing answers to questions they may have already heard, attendees can learn about their favorite actors' experience and training.
- ▶ There is a *large* overlap between anime/video game fans and theatre fans. Any crossover event is sure to provide a new and unique experience!
