(i know, i couldn't believe it either)

Hi there! I'm Lexi Nieto and I'm an actor, singer, artist, and host. Sharing my abundant energy with folks who have similar interests to my own is probably my favorite thing in the universe to do.

With an extensive background in live performance, anime convention programming, and anime voice acting, it is my absolute pleasure to help create a memorable and inspiring experience for everyone at conventions— special guests, staff, and attendees alike! Scroll for more details about my experience.

## voiceover + theatre!

My programming passion project, Shonen Showtunes, combines my love for live theatre and voiceover! Voice actors with experience in theatre are encouraged to discuss and even show off their roots in a topic-based Q&A discussion panel or performance showcase.
